- Maintaining the Study / Life Balance
- Staying Motivated and on track to achieve your personal best.

The Fast Track Study Skills Workshop is a 4 hour 'preparation' workshop designed at equipping Year 11 and Year 12 students with the skills and strategies they require to become 'lifelong learners'.

Objectives:

The main objectives of this workshop is to ensure students take home the necessary skills required to:

- Manage the pressures and responsibilities of upper secondary study.
- Use their time more efficiently.
- Learn the strategies used by successful learners.
- Develop a positive attitude towards study and the concept of lifelong learning.
- Stay motivated and focused on achieving their personal best throughout the obstacles of day to day life.

What's included:

- Instruction by an expert facilitator.
- Comprehensive workshop manual.
- Personalised Certificate of Attendance.

Duration:

1 Day
